

# How to achieve your facial aesthetics goals

**F**acial aesthetics at S-Thetics covers a broad range of advanced non-surgical treatments designed for the face and body. These include advanced cosmeceutical skincare, innovative technology, and the occasional and subtle use of facial injectables to help you achieve your aesthetic goals for 2016. After a detailed consultation and assessment, we will formulate a customised treatment plan for you with the aim of delivering safe and effective results with little or no downtime. We will ensure you have a maintenance program set in place and will review your results with you to ensure you achieve the outcome you desire. At S-Thetics we believe in a 'less is more' approach to facial aesthetics with the aim of making you look and feel the best version of yourself.

With our medical director Miss Balaratnam's extensive plastic surgical background, these treatments are combined with her deep understanding and knowledge of facial anatomy and facial ageing to help you understand and optimise your ideal skin health.

- Research your doctor. You must have a detailed consultation, facial assessment and a well-explained treatment plan that you understand
- A VISIA skin analysis will give you a deeper understanding of your existing skin health and is a starting point for all our patients
- Invest in your skin health and have regular treatments – just like a monthly gym membership
- Face and body treatments with advanced, FDA approved technology
- Personalised and precise skincare formulations adapted for your individual skin requirements\*

We would like to invite all Riverside Journals readers for a complimentary VISIA skin analysis and Universkin consultation until 31st May 2016\*\*. Please contact S-Thetics on 01494 670990 or [info@sthetics.co.uk](mailto:info@sthetics.co.uk) and quote 'RIVERSIDE JOURNALS'

\* S-Thetics are one of the first 5 clinics in the UK to offer Universkin, skincare truly personalised to you and exclusive to Buckinghamshire.

\*\* This offer is not valid in conjunction with any other offers or promotions
